

Addendum – Fall 2026 MG Training Class

Absence and Make-up Guidelines

- ☑ The hours for the course are designed to allow for up to 6 hours of absence without requiring make-up. Any hours beyond 6 will need to be made up.
- ☑ In-Person Classes: Only one in-person class may be missed. These classes are difficult to make up, but we will work with you to identify a means to do so if necessary.
- ☑ Zoom Sessions: Up to 5 (3 hours each – 15 hours total) sessions may be missed and made up. The Zoom sessions will be recorded. You will be required to watch the missed session and write a summary using bullet points identifying the top 10 takeaways from the session. This summary must be submitted to Marilyn Love within one week of the session missed.

There will be a comprehensive open book/note test at the end of the course.
